

EICG-1T-H

The EICG-1T-H is a 3 piece cover designed for ANSI 55-4, 55-5 series and ANSI 57 series tie top post type insulators F neck tangent construction. Not designed for side tie applications or running angles. The arms are one piece with a tab to prevent the arm from backing off. This design includes a handle.

Warning!

1. High Voltage can cause death or serious injury.
2. This product is NOT PPE (Personal Protective Equipment). It is not designed to protect humans from electrical hazards, electrical arcs, or flashover.
3. Always follow safe working procedures, safety standards, and guidelines. Always use approved live line tools and PPE, rubber gloves, and sleeves if required, during installation, removal, and maintenance.
